

Vector Aquatic Center SWIM LESSONS

WELCOME

We're delighted that you are considering swim lessons at the Vector Aquatic Center. We offer the unique ability to provide swim lessons in a 92-degree warm water pool; the only pool of its kind on the North Coast. No more chattering teeth, just happy kids! Our goal is to make swimming a safe, positive and fun experience while developing the necessary skills to encourage success and overcome fears.

SESSIONS & Registration

All lessons are 30 minutes in length. Group swim lessons are 3 weeks long, held Monday through Friday, **EXCEPT** Wednesday. We require a minimum of 3 children for group swim lessons, with a cap of 4 – 6 children depending on the level. There is **NO** cap on the number in Aqua Babies. Private and semi-private swim lessons are available at varying days and times.

To schedule, please contact the Aquatic Center at: (707) 441-9262.
